Date: 05/19/2021

Amount: \$0.06

Payment Description: BROKERAGE ACCOUNT

Account Number: XXXXXX5399

Dear DEVON WOODSON:

According to our records, you appear to be the owner of, or have an interest in, the unclaimed property identified above. Abandoned property laws require us to remit unclaimed property to the state of the address that appears on the account if we do not have confirmation of (i) the owner's correct address and/or (ii) his or her knowledge of the property after a period of inactivity. If the account in question is an IRA, and you have reached your mandatory distribution age, state abandoned property laws may require us to report and remit the account regardless of you taking your IRS required minimum distribution from any other IRA you may own. For security and privacy reasons, the full account number is not shown.

If we do not receive a response within 30 days from the date of this letter, the funds will be reported to the state of Michigan at a future date. At that time, the property will be placed in the custody of Michigan to whom all future claims should be directed. Property that is not legal tender of the United States may be sold by the state administrator or treasurer.

Therefore, please check one of the boxes below, fill out the form in its entirety and return the form to us in the envelope provided. Please maintain a copy of the completed form for your records.

If you have any questions concerning this matter, please contact us at 866-690-1878.
