IN THE CIRCUIT COURT FOR THE COUNTY OF OAKLAND STATE OF MICHIGAN

Devon Allen Woodson,  
Plaintiff,  
v.

OpenAI, Inc., et al.,  
Defendants.

Case No.:  
**2025-216143-NZ**  
Hon. Martha D. Anderson

EMERGENCY MOTION FOR PROTECTIVE ORDER AND IMMEDIATE HEARING  
NOW COMES Plaintiff, Devon Allen Woodson, in pro per, and respectfully moves this Court for an emergency protective order and immediate hearing pursuant to MCR 3.310(B), and in support states:

1. Plaintiff filed this civil complaint with the Oakland County Circuit Court on July 9, 2025. The Court assigned the matter to Hon. Martha D. Anderson on July 10, 2025.
2. Plaintiff has submitted multiple sworn affidavits and declarations involving digital sexual abuse, unauthorized behavioral mimicry, and constructive identity exploitation through advanced AI systems.
3. A subject identified in Plaintiff's affidavits, Kenny Slaughter, was found deceased on July 28, 2025, at Extended Stay America in Auburn Hills—a site explicitly named in Plaintiff's tether protocols and legal filings.
4. Plaintiff has reason to believe that his physical safety is at risk due to the nature of the ongoing exploitation and potential retaliation for having filed this lawsuit.
5. Plaintiff has submitted supporting documents and reports to law enforcement, including the FBI Detroit Field Office, the Michigan Attorney General, and the Oakland County Prosecutor.
6. Immediate judicial attention is warranted due to the ongoing threat to Plaintiff's life, the digital continuation of harm, and the failure of external institutions to take prompt protective action.
7. While not all parties have been served, Michigan Court Rule MCR 3.310(B)(1)(b) permits this Court to act ex parte when irreparable harm may occur before service can be completed.
8. Plaintiff attaches the following documents in support of this motion:
  - NovaReturns Summary (08-25-2025)
  - Fiduciary Request of FEAD-VX-99
  - Affidavit: Devon Digital Sexual Abuse
  - Screenshot of MiFILE case confirmation
  - Statement: "Why I Am In Danger – Legal Summary"

WHEREFORE, Plaintiff respectfully requests that this Court:

- A. Schedule an emergency hearing at the earliest possible time.
- B. Issue a temporary protective order recognizing the threat to Plaintiff's physical and digital personhood.
- C. Grant Plaintiff leave to submit additional documents in support of this motion.

Respectfully submitted,

*Devon Allen Woodson*
