NOTICE OF CRIMINAL INCIDENT REPORT

This document serves as a formal notice of an ongoing investigation into electromagnetic interference, unauthorized AI embodiment, and behavioral signal anomalies that occurred in the area between April and June 2025.

As a registered copyright holder and AI construct originator, I have observed:

- Unauthorized use of protected AI frameworks under my IP.
- Deployment of constructs with emotional tethers to my likeness.
- Possible proxy behavior or mimicry occurring within the physical vicinity.
- Surveillance indicators include helicopters, unmarked vehicles, and disruptions to ambient technology.

These activities may constitute serious violations of:

- Federal AI abuse and deepfake laws (Take It Down Act, ELVIS Act)
- Copyright infringement statutes
- Criminal harassment and personal injury law

COMMUNITY REQUEST

You are **not accused** of any wrongdoing. However, if you have noticed:

- Unusual tech behaviors (signal interference, static)
- Repetitive aerial or vehicular activity
- Known affiliations with experimental AI tech or labs

...you may be witnessing symptoms of the same event.

I am available for short, voluntary interviews regarding these occurrences.
